

# HARBOUR HIGHLIGHTS

## PARENT REFERRAL PROGRAM

Our parent Referral Incentive Plan is off to a GREAT start! We have 37 parents who have already qualified for a free logo shirt! Here is how it works:

- Talk to your friends and neighbors about our amazing little school and all of the great things that will be taking place at HPPA!
- Convince them to enroll on our website and accept their seat! Oh, when they enroll, make sure when they get to “how did you hear about us to put “friend” and your name!! We will take it from there!!
- For every parent who enrolls a student, you will receive a free uniform polo shirt!!
- Here is Mrs. Duff with more information!

## GIFTED EDUCATION AND ENRICHMENT

As a Preparatory school that will be pursuing International Baccalaureate accreditation, we understand the importance of enrichment for students above grade level as well as providing accelerated opportunities for our students who are identified as Gifted. This is very important to us!

With the current state accountability system, enrichment for students who are above grade level often gets pushed aside or ignored at the expense of intervention for students below grade level. At HPPA, our goal is to show achievement AND growth for every child. This certainly includes intervention for students below grade level, but not at the expense of our students who need enrichment to maintain and expand their high achievement. In the next few weeks we will be sending out information on our enrichment opportunities for our students identified as gifted! Stay Tuned!!

# CONSTRUCTION UPDATE

We remain ahead of schedule on the building construction! The steel package is scheduled for delivery on Tuesday, January 21, 2026, and we will begin erecting the steel interior of the building that same day. We look forward to these upcoming developments and are excited to share this progress with you. Please see the link below to the weekly progress report provided by Summit Construction: [Harbour Pointe Academy Owner Report 01.16.26.pdf](#)

## STUDENT UNIFORMS

As you are aware, HPPA is a student uniform school. We believe that having students “in logo” helps create the family style culture we are creating. Here are a few reasons to support school uniforms:

- Fosters school spirit and a sense of community and pride.
- Creates a professional learning environment.
- Promotes equality and reduces peer pressure for expensive clothing.
- Minimizes distractions in the classroom.
- Simplifies mornings for parents!

Ms. Torres and Mrs. Marollo are working on locating a local vendor who will provide a physical location as well as online options to purchase school uniforms. Our goal is to get this information to you by mid-February. Our goal is also to keep the expense of uniforms at a minimum. More details on the uniform policy and process for purchasing uniforms will be coming soon!

## UPCOMING INFO SESSIONS

We are continually adding information session times and dates both online and in person. Although there are challenges with having a building that is under construction, we are making every effort to be highly visible in the Oceanway community! Here are a few of our upcoming information sessions:

- January 28, 2026 - Highlands Library 6:00pm
- February 10, 2026 - Virtual 6:00pm
- February 17, 2026 in Black Hammock Island
  - [HPPA Info Flyer.png](#)

We also have upcoming information sessions in several housing developments and at pre-schools! Parents, if you have suggestions for a good place for us to get the word out about our school, please let us know!
