

# HARBOUR HIGHLIGHTS

## STUDENT UNIFORMS ARE LIVE!

Embroidered polos and outerwear will be required as part of our uniform at HPPA. Bottoms must be navy or khaki but can be from anywhere your family prefers.

Our vendor [RC Uniforms](#) has an online store that is live. From this they provide shipping or in store pick up options. By summer there will be an entire section dedicated to HPPA. You will also be able to walk into the store and try on items.

Please note grade level when ordering\*

## ENROLLMENT UPDATE

Parents, our original enrollment forecast and enrollment projection had us opening at 365 students for the 2026-27 school year. Well, the incredibly warm and enthusiastic welcome from the Oceanway/Yulee communities has led us to change this to 483 for year 1!! We have opened up additional sections in several grade levels to accommodate the number of applications we are receiving!! We are committed to being the best school for all children and are committed to serving our students at the highest level!

Although we are adding more students, we are actually lowering the projected number of students for Kindergarten from 18 to 16!! Class size Matters!!

Finally, by adding additional sections at grade levels, we now have openings at all levels!! Make sure to let your friends and neighbors know!
