

HARBOUR HIGHLIGHTS

CONSTRUCTION UPDATE

The building is secure!! The final windows and doors will be going in this upcoming week and the building will be secure! Drywall has started on the first floor and the steel room partitions are being installed on the second floor! The construction team has also been working on adding the turn lane, getting water, permanent electricity and prepping the car loop to be paved!! Construction remains 2-3 weeks ahead of schedule!

Please see the construction weekly construction report in the link below:

PARENT/STUDENT HANDBOOK

The team is putting the finishing touches on the HPPA parent handbook and we should have this ready to send to you (via pdf link) and post on our website by the second week of April! This covers topics like attendance, field trips, dress code, code of content, before care and aftercare, and many other informative procedures! This will be a valuable asset in learning more about our student friend and family friendly approach to school operations!

KINDERGARTEN SCREENING

I simply cannot tell you how honored and excited we are to be serving as the school of choice for our incoming kindergarten students!! We currently have 68 kinder students enrolled with an original target of 64. We have added a section of Kindergarten so we now have approximately 16 openings!!

Beginning in late May and early June, we will be offering a screening for our incoming little ones!! This gives you a chance to meet us and we get a chance to meet our future Stingrays!! Kinder screening visits are usually 15-20 minutes and really help us balance out classes! Again, we will be reaching out in late May and can't wait to see you!!

TUTORING AND ENRICHMENT

As a school that is committed to ensuring that every student shows academic growth, we realize the importance of offering after school tutoring and enrichment opportunities.

At Harbour Pointe we feel that it is our obligation to our parents to provide after school tutoring and enrichment opportunities to our students free of charge. We will be sugaring more information about our tutoring and enrichment program this summer!

STUDENT UNIFORMS ARE LIVE

Embroidered polos and outerwear will be required as part of our uniform at HPPA. Bottoms must be navy or khaki but can be from anywhere your family prefers. Our vendor RC Uniforms has an online store that is live. From this they provide shipping or in store pick up options. By summer there will be an entire section dedicated to HPPA. You will also be able to walk into the store and try on items. Please note grade level when ordering* Link is in RC but also here if you want to change format
