REGISTRATION UPDATE

We currently have a little over 300 students fully registered and all remaining students in the process. Thank you to all parents who have completed the registration process.

I wanted to make parents aware that we have made some adjustments to streamline the process. Here are the tweaks:

- Removed required ssn
- Removed requirement for report card (we can get this)
- Adjusted so you can submit without physical or immunization records. We will need this before August 1st.

As always, if you have questions, please reach out to Ms. Dany at dgaleano@hppajax.org.

EARLY BIRD TOURS

Oh NO!! We have set aside 3 evenings for “Early Bird Tours” and all three evenings are completely full!! To be clear, this is 4 tours of 40 parents each night!!

Good News:

We have added a 4th night and a few extra spots on select dates!! The “Early Bird Tours” are reserved for parents who have completed the entire registration process by May 22nd so there is still time to reserve your seat!!

*Families who apply and fully register by May 22nd will receive a private link to sign up for our Early Bird Tours. We can't wait to show you our school!

KINDER SCREENING

Kindergarten families, we are excited to share that we will be hosting Kindergarten Screeners the week of July 13th–17th! More information will be coming soon, including a sign-up link where families can select their preferred time slot.

During your child's screening, parents will have the opportunity to tour our new building and connect with our team before the school year begins. Please know that these screeners are nothing to stress about — they simply help us gather baseline information and give us a chance to get to know your child prior to the start of kindergarten.

We are so excited! More details coming soon.

KINDER SPECIFIC INFORMATION SESSION

Kindergarten parents, this one's for you! We know this is a big decision and we are thankful for your trust as well as referral of any parents you may know. We will be hosting a kindergarten specific information session. This will have information regarding schedule, arrival, and the lunch program. Please join us virtually at 6 PM on May 21st. The link will be posted on socials, messaged to you and is permanently on our website. We look forward to seeing you soon.
