

# HARBOUR HIGHLIGHTS

## REGISTRATION UPDATE

We are thrilled to see the incredible progress our Harbour Pointe Preparatory Academy families are making as we get ready for an amazing first year as a charter school! 🎉 So many of you have already completed registration—thank you for jumping in and helping us build a strong foundation for a successful school launch. Your partnership means everything!

We also have great momentum with our families who are just one final step away from being fully registered. If that's your family, you're almost there—simply upload your remaining documents and you'll be all set!

For our families who haven't started yet, now is the perfect time to get going. We can't wait to welcome your student, and completing registration soon ensures everything is in place for a smooth and exciting start to the school year.

We're here to support you every step of the way—thank you for being part of something special. Let's keep the momentum going and get every Stingray ready for day one!

## DOCUMENT REQUIREMENT FOR REGISTRATION

We are excited to keep the momentum going with registration! To complete your child's enrollment, there are a few required documents we must have on file: a birth certificate, proof of address, and a copy of the parent/guardian ID. These are essential for us to officially move forward. We understand that gathering documents can take time, so families are welcome to upload a temporary placeholder document for now in order to complete the registration process and secure their student's spot. You can always return later to upload the final versions. Other items like immunization records, a physical, and report cards can be submitted at a later date—so don't let those delay you from finishing registration today! Thank you for taking these important steps—we're so excited to have every student ready for an incredible first year at Harbour Pointe Preparatory Academy! 🎉

## CONSTRUCTION UPDATE

May 5th is a big day!! We have a hard hat tour and can't wait to share the images with you on Facebook!! Everything continues to be 2-3 weeks ahead of schedule and we hope to do early bird tours by the end of the month! We will keep you posted!

# STUDENT UNIFORMS ARE LIVE!

Embroidered polos and outerwear will be required as part of our uniform at HPPA. Bottoms must be navy or khaki but can be from anywhere your family prefers.

Our vendor RC Uniforms has an online store that is live. From this they provide shipping or in store pick up options. By summer there will be an entire section dedicated to HPPA. You will also be able to walk into the store and try on items.

*Please note grade level when ordering\**

Link is in RC but also here if you want to change format <https://rcuniforms.com/collections/harbour-pointe-preparatory-academy>

**ORDER NOW**

## IT'S ALL ABOUT THE CAR LOOP!

We are excited to introduce our car loop procedures, designed with one goal in mind: creating a positive, efficient, and safe experience for every family. Our car loop features three lanes and flows around the entire property, helping prevent traffic from backing up onto Main Street. With this design, our goal is to keep your wait time to just 5–7 minutes in both the morning and afternoon. The car loop is more than just a system—it's an important part of our school culture. You can often tell a great deal about how a school operates just by watching its car loop—when it is positive, safe, organized, and efficient, it reflects the same strong systems and routines happening inside the building. The same staff who design and run our car loop are the ones creating the procedures that support your child's day. It also allows us to ensure every student arrives with a smile and leaves with a smile, while giving us a great opportunity to connect with our families and get to know each parent. We'll be sharing more detailed information and expectations later this summer, but we're looking forward to making this a smooth and welcoming part of your daily routine!

### UPCOMING INFO SESSIONS

- May 5, 2026- Virtual 6:00
- May 14, 2026 Virtual 6:00
