

HARBOUR HIGHLIGHTS

CONSTRUCTION UPDATE

Construction progress is moving right along, and we are excited to share some major milestones!

 Our 65-inch interactive smartboards have been delivered, and installation will begin this week.

 The kitchen equipment has been delivered and installed and is now awaiting final inspection from the Health Department.

 The playground is officially in place! We couldn't be more excited to see this important space ready for our students to enjoy.

Thank you for following along on this exciting journey. We look forward to welcoming many of you during our upcoming Early Bird Tours and giving you a firsthand look at all the progress being made at Harbour Pointe Preparatory Academy!

REGISTRATION UPDATE

We are excited to share that Harbour Pointe Preparatory Academy has surpassed our original enrollment target. We are now anticipating a maximum enrollment of 520 students for the 2026–27 school year.

At this time, we have already enrolled just over 500 students, and waitlists have started in Grades 3, 4, and 6. In May alone, we received 170 applications, which means interest in HPPA continues to grow quickly.

Because of this demand, our registration timeline has tightened. Families who are offered and accept a seat must complete the full registration process within 5 days. This helps us be fair to families who are currently waiting for an available seat.

If you have not yet started or completed your registration, please do so as soon as possible. Students with incomplete registration may be at risk of having their seat released and being withdrawn from enrollment. Families would then need to reapply and may be placed on a waitlist if space is no longer available.

Thank you for your prompt attention to this important step. We are excited to welcome our families for the 2026–27 school year!

KINDER SCREENING

Kindergarten families, we are excited to share that we will be hosting Kindergarten Screeners the week of July 13th–17th! More information will be coming soon, including a sign-up link where families can select their preferred time slot.

During your child's screening, parents will have the opportunity to tour our new building and connect with our team before the school year begins. Please know that these screeners are nothing to stress about — they simply help us gather baseline information and give us a chance to get to know your child prior to the start of kindergarten.

We are so excited! More details coming soon.

SUBSTITUTES AND BEFORE/AFTERCARE STAFF NEEDED

Parents, guardians, grandparents, and family members—we need you!

As we prepare for the opening of Harbour Pointe Preparatory Academy, we will begin hiring daily substitute teachers and Extended Day staff starting in July. Both positions pay \$18 per hour and offer a wonderful opportunity to support our students while being part of our school community.

Daily Substitute Teachers

- On-call positions
- Typically work 2–3 days per week
- Cover classrooms when teachers are absent

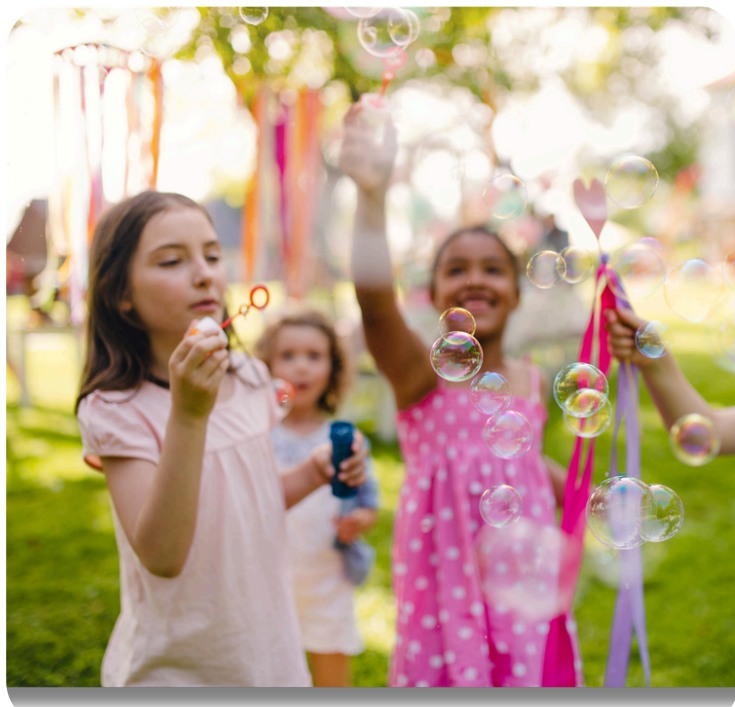

Extended Day Staff

- Daily positions
- Morning shift: 6:30–7:30 a.m.
- Afternoon shift: 3:00–6:00 p.m.
- Depending on student enrollment and pickup times, some afternoon shifts may be shorter as attendance decreases later in the day.

If you are interested in either opportunity, please send me an email (gstickel@hppajax.org). I will begin building our substitute and Extended Day candidate lists and will start reaching out to interested applicants in July.

One of the things that makes HPPA special is our strong family community, and we love having parents, grandparents, and family members involved in the life of our school. We hope you'll consider joining our team!

EARLY BIRD TOURS

EARLY BIRD TOURS

We had a tremendous response to our Early Bird Tours for families who completed their registration early! Nearly 600 parents and students have signed up to attend one of our four tour nights.

If you reserved a tour time, please take a moment to review your confirmation email and verify your selected date and time. Additional details and reminders will be sent next week.

We are excited to share that we expect to have temporary occupancy of the building at the time of the tours, allowing families to get an exclusive first look inside their new school home. This is an exciting milestone for our school community, and we cannot wait to welcome you into the building and showcase the incredible progress that has been made.

If you were unable to register before the deadline, don't worry! Once we move into the building, we will be offering tours on a daily basis so that all families have an opportunity to visit the campus before the start of the school year. We look forward to seeing you soon!

KNOW A GREAT TEACHER?

As our enrollment continues to grow, we have added additional sections in Grades K, 1, and 2. We are currently looking for outstanding teachers to join our classroom team for the upcoming school year.

If you know a passionate, student-centered educator who would be a great fit for Harbour Pointe Preparatory Academy, please help us spread the word!

Interested candidates are welcome to reach out to us directly. We would love to connect with great teachers who are excited to be part of building something special at HPPA.
