KINDERGARTEN WEEK ONE: A SPECIAL BEGINNING!

August 10-14

The first week of kindergarten is such a special milestone, and we want to make the transition joyful, welcoming, and comfortable for both our students and families!

First Day of School - August 10

Kindergarten parents should park and enter the cafe beginning at 9:00 a.m. The designated entrance will be clearly marked. We will provide a light breakfast for parents and create an opportunity for families to take a few special first-day pictures!

At 9:15 a.m., our teachers will welcome their excited new kindergarten students and take them to their classrooms. Parents are invited to remain in the cafe for breakfast and time together after saying goodbye.

August 11-14

Beginning Tuesday, August 11, kindergarten families will use the car loop for arrival between 8:50 and 9:15 a.m. This will help our youngest students and their families become familiar and comfortable with the arrival process.

Beginning the second week of school, kindergarten students will join the regular morning car loop and arrive between 7:45 and 8:15 a.m.

Before Care and Sibling Drop-Off

Before Care will be available for kindergarten students beginning August 11.

Families who also have children in other grade levels may drop off their kindergarten student with their siblings during the regular car loop between 7:45 and 8:15 a.m., beginning August 11.

We cannot wait to welcome our newest Harbour Pointe students and help them begin an amazing kindergarten journey!

PASSING THE HELM

The Next Chapter of Harbour Highlights

Since January, I have had the privilege of sending bi-weekly - and more recently, weekly - editions of Harbour Highlights to keep our families informed and connected. I simply cannot believe how far we have come together! What began as updates about a dream and a school under construction has now become news from a thriving school community filled with incredible students, families, and staff.

Beginning with the next edition, our Associate Principal, Ms. Torres, will take the helm of Harbour Highlights. The newsletter will also begin coming to families through ClassDojo, making it even easier to stay connected with everything happening at Harbour Pointe.

Ms. Torres will begin with a bi-weekly edition and may eventually transition Harbour Highlights into a monthly newsletter format as the school year progresses.

Thank you for reading, encouraging, supporting, and taking this journey with us since January. I cannot wait to see all of you in the car loop as we officially begin this incredible school year together!

Thank you for being part of our journey!
